RETAIL LIST, 1920-21

New and extra choice Gladioli, grown by
F. C. Hornberger, Hamburg, N.Y.

TERMS OF SALE

Dear Friends and Patrons; our terms of sale are cash with order, we prepay all postage, on stock here listed; kindly remember this when comparing, our prices with others, as postage is a very large item, especially to distant zones; for example we have bulbs, this season that weigh as much as 6 ozs. each. In some varieties stock is limited, if out of large bulbs, will send (2) small bulbs, large enough to bloom. Unless otherwise instructed we book all orders for delivery in early spring, or before as weather permits, all stock subject to prior sale. We will not substitute varieties without permission. The Gladiolis as a cut flower, has become very popular; if bulbs are wanted by the 100 or 1000 please write us your needs, as we can furnish these in all sizes at wholesale rates. In some varieties, small bulbs at about two-thirds cost of first size, make very fine bloom. Gladioli like other groups of plants vary greatly in size of plant and bulb, some make giant bulbs and plants, others small to medium. Purple Glory often makes bulb, of 3" to 4" diam. while we are propagating a Lilliputian type whose No. 1 bulbs average about 1".

We will be pleased to answer all letters of inquiry, and to give any instructions on culture that may be desired, will be pleased to hear your report on our stock, after a fair trial, we welcome your criticism as well as your praise. Our effort is to please and your suggestions help us discover the way.

We remain yours for a world more beautiful.

F. C. Hornberger.
